Saba Properties

A large, ornate, white building with many windows, likely a government or institutional building, surrounded by greenery and a large tree. The building has a classical architectural style with a prominent portico on the left side. In the foreground, there is a large, white, classical-style urn containing a small, dark, conical evergreen tree. The urn sits in a flower bed filled with orange and yellow flowers. To the left of the urn, there is a stone plaque with the word "STRENGTH" visible. To the right, another stone plaque with the word "WISDOM" is partially visible. A large, leafy tree stands to the right of the urn, and another tree is on the far left. The building is set back from the street by a low black metal fence. The sky is overcast.
